

PRODUCT ECO PASSPORT

MATERIALS (PERCENTAGE BY WEIGHT)

Based on: 240x105x75 cm | 68 kg

The table top is made of duramas (core with less rare wood with a layer of solid wood). It rests on a frame of aluminum.

PACKAGING & LOGISTICS

Our packaging is produced by means of an "on-demand packaging machine". The packaging is exactly tailored for each product, using a minimal amount of packaging material. Moreover in this way the product is optimally packed and well protected during transport. The carriers that collaborate with Arco give, just as Arco, high priority to durability. They aim at reducing the CO₂-emissions through, among others, the use of cleaner engines (EURO VI), the effort in reducing fuel consumption, optimizing the loading space and optimal planning.

REPAIR/REFURBISH/REDUCE/RECYCLE

Tables & low additions: Veneered products can be repaired, the top can be re-veneered and parts such as the fittings can be replaced. Semi-solid tops can be re-sanded and lacquered to a like-new condition. On these tops as well small repairs can be done and the fittings can be replaced. The result will always depend on the degree of the damage.

Seating & low seating: The chairs of the Arco collection can be re-upholstered and certain components can be replaced.

Arco guarantees that the products can be backordered for 5 years. Please contact your dealer for questions and information regarding REPAIR/REFURBISH.

REDUCE - Arco aims at reducing the consumption of raw materials during production.

RECYCLE - Arco aims at avoiding waste materials as much as possible, although this cannot be achieved completely. The waste materials that result from the production process are separated and processed by specialized recycling companies.

WARRANTY

All Arco furniture is made with exceptionally high-quality materials and produced with the greatest possible care. If, despite this, something goes wrong, we will of course be happy to resolve the problem professionally. Arco furniture is guaranteed for 5 years. Please visit our website www.arco.nl to see the guarantee conditions.
